

# Gravity 6C 350

## Extreme angles and trajectories

The new range of Laporte PREMIUM launchers has the same manufacturing qualities and efficiency as the Laporte PRO & Olympic launchers, the result of many years of innovation and competition at the highest level.

The unique design of the new Laporte Gravity launchers significantly reduces all mechanical efforts, allowing them to launch in all positions even with a full barrel!

Capacity (Clays)	350
Targets (Diam)	60mm / 70mm / 90mm / 108mm / 110 mm
Tilting (R/L)	Up to 90°
Angle backward	Up to 65°
Voltage (V)	12V
Throwing Distance	From 10 to 85 meters
